RACE MANAGEMENT SPECIALISTS

WWW.TRXCTIMING.COM

You must wear your IPICO Sports Tag CHIP (1) to receive your Finishing Time and Place (Please place the chip on your right shoe). If you do not wear your CHIP we will be unable to give you the correct place or time. **The chip system will record your time and place but all finishers are verified with a Finishlynx camera for close finishes.**

All chips have been counted twice before being put into your packet. If you are missing a chip please tell the finish line prior to the start of the race or it will be assumed that the chip was lost during the competition.

Unused CHIPS will be returned by coaches.

(\$20 for each unreturned or damaged chip will be charged to the school).

Your **BIB number** is marked on the **chip**. Please make sure you put the correct CHIP on your shoe in the manner shown below. It does not matter which side of the chip is facing up. The chip may also be tied into your laces of your shoe if you wish, as an extra precaution use a twist tie in conjunction with this method.

Proper Front Bib Number Placement

BIBS MUST BE PINNED TO THE FRONT OF THE RUNNER.

Please match the bib and chip number from the provided roster.

Returning Chips

Place in a padded envelope and mail to the following address:

TRXC Timing
5936 Garfield Ave
St. Louis, MO 63134
