You must wear your IPICO Sports Tag (CHIP) to receive your Finishing Time and Place (Please place a chip on RIGHT SHOE). If you do not wear your CHIP we will be unable to give you the correct place or time. **The system will record your time and place but all finishes are verified with a Finishlynx camera so your torso is still the determining factor for close finishes.** CHIPS will be returned as you exit the corral. We will cut them off your shoe as you exit. (\$20 for each unreturned chip will be charged to the school).

**Your BIB number is marked on the chip** Please make sure you put the correct CHIP on your shoes in the manner shown below. **It does not matter which side of chip is facing up.** The chips may also be tied into your laces of your shoes if you wish. Remember the chips will be collected as you leave the corral so if you tied them in have them untied and out of your shoe as you approach the exit.

**BIBS MUST BE PINNED TO THE FRONT OF THE RUNNER. THERE ARE 2 HIP NUMBERS FOR EACH ATHLETE INCLUDED IN YOUR PACKET. PLEASE PLACE THESE ON EACH SIDE AS TO HELP WITH VERIFICATION AND BACKUP IN THE FINISHLYNX CAMERA.**
